# CAMP GEAR - Items to bring to camp

**Clothing** - Temperatures can range from the low 80s during the day and the low 30s at night. Although there are 6 days of camp, campers often change their clothes throughout the day, depending on the temperature and weather. Please be sure to bring at least 10 days of clothes. **THERE ARE NO LAUNDRY FACILITIES AT CAMP.**

**Bedding** - Campers will be sleeping in cabins. Each cabin is equipped with bunk beds that have springs and a 4-inch mattress. There is a heater in each cabin for nights that are cold.

- Sleeping Bag or Bedding with Blankets
- Pillows

**Toiletries** - Facilities are complete with showers, sinks, and toilets. Campers can bring bathing suits or swim trunks to shower in. The boys' shower is a shower room with 9 shower heads, and the girls' showers have 5 individual stalls. It is important that campers shower on a daily basis.

- Toothbrush & Toothpaste
- Soap & Shampoo
- Chap Stick

## **WATER BOTTLE**

*Although the temperature is not as hot on the mountain as in the city, it is still considered high desert. It is very important that campers stay well hydrated. Headache, nausea, & a bloody nose are just a few of the symptoms of being dehydrated and it is hard to have a great time with any of those. Any water bottle is okay, but it is important that the bottle has a sealable lid. Water bottles can be refilled at drinking fountains throughout the camp ground (cold spring mountain water!).*

**Electronics** - Campers may bring specific electronics to camp but will do so at their own risk – PB & J and Clark County Parks are not responsible for any lost or stolen items.

There is NO cell or internet service at the 9,500 feet elevation at Lee Canyon. Video games are NOT allowed, and listening to music is allowed inside the cabins ONLY.

- Cell phone (for camera, music)
- Watch
- Flashlight with EXTRA batteries

## **DO NOT BRING**

Do not bring the following items to camp. Any camper found with any of the following items will be sent home immediately at the parents' expense.

***Illegal Drugs - Alcohol - Tobacco - Weapons - Fireworks - Lighters – Matches - Pets***

# Camper Pick-Up Schedule

Leadership camp is a closed camp, which means NO VISITORS. However, parents will pick up their children on **Wednesday 11 July 2018**. Parents will arrive at **9:30AM**. Campers and parents will participate in closing ceremonies starting at 10:30am. Closing ceremonies will be about an hour and campers will leave by 11:30am.

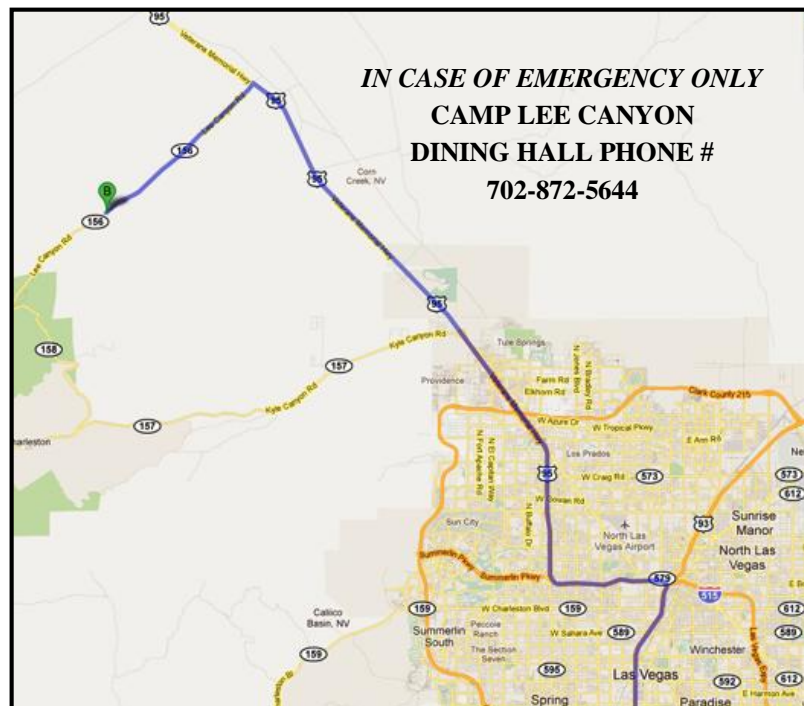

## **CAMPERS AND PARENTS MUST LEAVE CAMP BY 11:30AM**

Allow at least one hour of travel time from the Las Vegas area. Camp Lee Canyon is located on Route 156, about 45 minutes northwest of Las Vegas at an elevation of over 9,000 feet. There are no gas stations or convenience stores on Mt. Charleston, so it is best to fill up before driving up the mountain. In the summer months, it is also a good idea to bring drinking water in case your car breaks down. There is no cellular phone service on the mountain.

To get to Camp Lee Canyon, travel north along US 95, about 45 minutes from Las Vegas. You will pass the turn off for Mt. Charleston/Kyle Canyon (Route 157). Keep going on US 95 about another 10-15 minutes. Turn west (left) at the Lee Canyon turn off (Route 156). Stay on Route 156 for approximately 15 miles. On this road you will be climbing in elevation from 3,000 feet to 9,000 feet. (This part of the drive can cause overheating in older cars, so watch your temperature gauge. Turning off your air conditioner may help lower your engine temperature).

As you travel up Lee Canyon Road (Route 156), you will pass the turn off for Route 158 and for Camp Foxtail; Stay on Route 156. After going through a round-about, you will pass the meadow play area on the right. Once you have passed these landmarks – you’re almost there! The entrance to Camp Lee Canyon is on the left side of the road. The camp is set back off the road, but it is marked with a sign. Turn left into the camp, just before the McWilliams campground; if you reach the Lee Canyon ski area, you have gone too far.

**DO NOT BRING ANY ANIMALS UP TO THE CAMP. CLARK COUNTY  
STRICTLY FORBIDS ANY PETS ON THE CAMPGROUNDS**  
(excluding service animals)
